

Declaration on the Use of Artificial Intelligence (AI) Tools

During the preparation of this assignment, I used generative artificial intelligence (GenAI) tools. I am aware that these tools may sometimes provide unreliable and/or incomplete information. After using the tool, I reviewed the content and edited it as necessary. I take full responsibility for the final product, including the validation and authentication of the information.

Name of the AI tool:	
Purpose of use – How did the use of the AI tool assist in completing the assignment? Examples: <ul style="list-style-type: none">• Proofreading and refining writing and phrasing• Brainstorming and idea generation• Creating visual products – diagrams, illustrations, etc.• Searching for information sources• Summarizing and integrating sources• Solving a mathematical problem / writing code• Building research tools, questionnaires, etc.	
How did the tool help me? What worked less well?	
Link to the dialogue with the tool or additional information (if needed).
